## Summary

### Summary

I've spent the last 2 years perfecting my craft as a restaurant manager, honing my skills in the art of customer satisfaction, team management, and revenue growth. I have experience in inventory management, staff training, and scheduling, with a keen eye for detail that ensures everything runs like clockwork. My marketing strategies are second to none, with a proven track record of attracting new customers while keeping existing ones coming back for more. And when it comes to cleanliness and safety, I'm a stickler for perfection - because nothing is more important than the well-being of our customers and employees.

## Experience

### Cook/server/manager

#### Pignettis Restaurant

Jul 2014 - Present (9 years 2 months)

Are you looking for a multi-talented individual to join your team? Look no further than our candidate, who has worked as a cook, server, and assistant manager for the same company.

As a cook, they have honed their skills in the art of food preparation, ensuring that every dish is cooked to perfection. They are adept at following recipes, managing inventory, and maintaining a clean and organized kitchen.

As a server, they have developed a keen eye for detail, ensuring that every customer receives top-notch service. They are skilled at taking orders, managing tables, and making recommendations to customers.

As an assistant manager, they have proven themselves to be an effective leader, managing teams of employees and ensuring that the restaurant runs smoothly. They are skilled at scheduling, training, and motivating staff members to achieve their full potential.

Our candidate is also adept at creating and implementing marketing strategies to attract new customers and retain existing ones. They are skilled in maintaining a clean and safe environment for both customers and employees.

If you're looking for someone who can wear many hats and excel in all of them, look no further than our candidate. They are the perfect fit for any restaurant looking to take their business to the next level.

### Installer

As an installer in a team of other installers, our job consisted of changing all of the merchandising signage in Walmart stores. Specifically, the signage that hangs from the ceilings that is secured with cable wire, we would use scissor lifts for demolition and installation regularly working with power tools at heights of over 40 feet in the air. The job required

traveling from state to state.

## **Apprentice Plumber**

Salado Village Voice

Oct 2018 - May 2018 ()

As an apprentice plumber, my duties were to assist the master plumber in his daily tasks which included swapping out toilets, repairing and installing water lines, also repairing and installing sewer lines.

## **Customer Service Representative**

TTEC

Feb 2016 - Oct 2018 (2 years 9 months)

At Tec my job was to serve customers by providing product and service information and resolving product and service problems. Also, attract potential customers by answering product and service questions and suggesting information about other products and services.
